

Prakhar Vishnoi

prakhurvishnoi49@gmail.com | 8476974767 | Haridwar, India

Summary

With a solid foundation in both technical and interpersonal skills, I excel in driving impactful projects and achieving organizational goals. I am an expert in SQL, HTML and CSS and proficient in Python, C++ and C, while currently expanding my expertise to include HTML, CSS, JavaScript, and Data Analytics. Committed to continuous learning and growth, I bring strong leadership qualities and a collaborative approach, ready to contribute effectively to dynamic projects and support team success.
